Dear Mr Holmes

Blue Diamonds Square Dance Christmas Donation

Thank you very much for fundraising for the Cystic Fibrosis Trust and for sending this donation of £50.00, which was raised at the Blue Diamonds Square Dance Club's, Christmas Pot Luck and Raffle event. We really appreciate that the club has chosen to support us in this way instead of exchanging Christmas Cards. Please pass on our thanks to all who contributed. We are so grateful for your support during this critical time. We know everyone is feeling the financial pressure much more at the moment and that is what makes your support so special to us.

Your gift will help to fund ground-breaking research, ensure that everyone has access to life-saving medicines and high-quality clinical care, and reach those with CF and their families that are most in need.

Here are just a few ways your support will make a huge difference:

- **Helping to fund innovative research projects** across a wide range of areas to help us achieve our goal of a life unlimited for everyone living with CF. Thanks to supporters like you, we are funding a Strategic Research Centre that aims to link the specific gut symptoms people with CF experience to what changes are taking place within their intestines. By increasing understanding of the cause of gut symptoms, the researchers hope that this could lead to more tailored medicines to treat people with CF in the future.
- **Supporting vital campaigning** to drive positive changes for people with CF. Right now, we are campaigning hard to help reduce the extra costs that living with CF brings, like prescription charges in England, higher health and travel insurance, and the impact of financial hardship on CF health, as well as for better organ donation system.
- **Providing dedicated information and support** to people with CF to ensure that they have the basics to keep well. Your donations mean our Helpline team remain available to be a listening ear, provide support and offer grants to those who need it most. If you need to reach our Helpline team, you can call them on 0300 373 1000, email helpline@cysticfibrosis.org.uk or get in touch through our social media channels.

The progress being made is only possible due to the generosity of people like you, so thank you for uniting for a life unlimited. **Together, we are unstoppable.**

If you would like further information about CF and the work of Cystic Fibrosis Trust, please visit cysticfibrosis.org.uk, email enquires@cysticfibrosis.org.uk or call us on 020 3795 1555.

Yours sincerely
